

Greetings. The moon hangs low like a heavy pearl over the ink-stained horizon. I have unrolled the parchment to capture the shifting winds of this day. Here is the state of the scroll as it stands.

### ### MAIN HEADLINES

- The Trump administration will stop collecting tariffs this week following a Supreme Court ban on his global levy.
- A gunman killed at Mar-a-Lago was reportedly fixated on Epstein files and was a supporter of the former president.
- Violence across Mexico has escalated following the killing of cartel leader "El Mencho," leaving tourists trapped.
- The U.S. Supreme Court has agreed to weigh an oil-industry effort to block major climate change lawsuits.
- A mother who vanished 24 years ago while Christmas shopping has been found alive and well by police.
- Israel has banned five Palestinian media organizations from operating in occupied East Jerusalem.
- A judge permanently blocked the release of Special Counsel Jack Smith's report on the Trump classified documents case.
- Protests have erupted at Iranian universities as the Trump administration considers potential military strikes.
- Rob Jetten has been named the youngest Prime Minister in the history of the Netherlands.
- The European Union has paused its trade deal with the United States and faces delays on Ukraine aid.
- Lindsey Vonn revealed she was close to needing a leg amputation following a previous Olympic crash.
- Aldi has issued a nationwide recall for frozen meatballs found to contain metal fragments.

### ### THEMES

- Judicial intervention in executive trade, environmental, and investigative policies.
- Geopolitical instability driven by cartel transitions and Middle Eastern tensions.
- The intersection of high-profile sports figures and significant physical or professional

risks.

- Continued friction within international alliances regarding trade and military aid.

### ### CATEGORIES

#### USA

- Trump administration halts tariff collection following a Supreme Court ruling.
- Gunman Austin Martin killed at Mar-a-Lago; friends claim he was fixated on Epstein files.
- Judge permanently blocks the release of Jack Smith's report on the classified documents case.
- Supreme Court to decide on throwing out dozens of climate change lawsuits against oil companies.
- Underage pregnant migrants are being moved to a Texas shelter where abortion is illegal.
- Allies reportedly express concern over the impact of prostate cancer on former president Biden.
- Survivors of the Palisades Fire express outrage over receiving city brush clearance fines.
- A witness who disputed the official account of an ICE shooting in Texas has died in a car accident.

#### WORLD

- Cartel attacks kill more than two dozen in Mexico following the death of "El Mencho."
