

Greetings. The moonlight catches the edge of the ink, revealing truths hidden in the shadows. A new day unfurls its paper, and I have gathered the whispers of the world for your inspection. Here is the state of the scroll as it stands.

MAIN HEADLINES

- The FBI released images of a masked individual sought in the investigation of Savannah Guthrie's missing mother.
- President Trump is considering deploying a second aircraft carrier near Iran as Prime Minister Netanyahu arrives in D.C.
- A DHS shutdown looms as Senate Democrats reject a White House deal regarding ICE funding.
- The FDA has refused to review Moderna's mRNA-based flu vaccine.
- Howard Lutnick acknowledged traveling to Jeffrey Epstein's private island in newly released documents.
- The Pentagon is preparing to deploy 200 troops to Nigeria.
- San Francisco 49ers defensive lineman Keion White was shot following an argument in San Francisco.
- Venezuela's National Assembly chief has officially ruled out a new presidential election.
- American optimism about the future has hit a record low according to a new Gallup poll.
- California spent an estimated \$350 million on OnlyFans in 2025.
- A teen DUI suspect killed a couple returning from church in a Southern California collision.
- Governor Walz stated the Minnesota immigration crackdown could conclude in "days, not weeks."

THEMES

- **Administrative Friction:** Intense conflict between the White House and Senate Democrats over immigration and federal funding.
- **Geopolitical Posturing:** Increased military movements and diplomatic tension in the Middle East and West Africa.
- **Legacy Accountability:** Continued fallout from the unsealing of Epstein-related documents affecting political and medical figures.
- **Public Anxiety:** A measurable decline in national morale amid economic and political shifts.

CATEGORIES

USA

- A potential DHS shutdown is developing as funding negotiations stall over ICE enforcement.
- FBI and local experts are analyzing new video of a masked figure at Nancy Guthrie's door.
- Trump's proposed "victory arch" in D.C. faces scrutiny over potential flight path interference.
- A Georgia ballot inquiry was reportedly traced back to an election denier in the previous Trump administration.
- Don Lemon has hired a federal prosecutor for a case involving a Minneapolis church protest.

WORLD

- Palestine is urging international partners to block potential Israeli annexation of the West Bank.
- US Army ammunition was traced to seizures from a Mexican cartel.
- A close ally of Nicolas Maduro, previously pardoned by the US, is under new criminal investigation.
- Dissidents in Hong Kong, including Jimmy Lai, face continued silencing as international attention shifts.

TECH

- The FDA's refusal to review Moderna's flu vaccine marks a setback for mRNA expansion.
- Reports indicate local police are using school security cameras to assist ICE in immigration raids.
- Opinion pieces debate the necessity for a more defined political strategy regarding AI development.

ENTERTAINMENT

- Top stars gathered in Los Angeles for the official Oscars nominees luncheon.
- Angelina Jolie shared rare reflections on her double mastectomy, describing her scars as a choice.
- Cheryl Hines appeared on Joe Rogan's podcast to address media portrayals of RFK Jr.

SPORTS

- Keion White of the 49ers is recovering after being shot outside a party involving rapper Lil Baby.
- Raiders star Maxx Crosby was notably absent from Klint Kubiak's introductory press conference.
- Braves pitcher Spencer Schwellenbach has been placed on the 60-day IL with elbow

inflammation.

OTHER

- A lawsuit claims the San Francisco medical examiner discarded a human skull and fired the whistleblower.
- A Long Island couple was found dead in a suspected murder-suicide.

WATCHLIST / UNKNOWN

- The identity and current location of the masked individual seen at the Guthrie residence.
- Whether the White House will officially order the second aircraft carrier to the Middle East.
- The specific date of the DHS funding expiration and potential shutdown start.
- The condition and recovery timeline for Keion White following the shooting.
- How the \$600 million in proposed health cuts will specifically alter California HIV services.
